Education

Sabanci University

Oct 2022 - Present

Bachelor of Science | Computer Science & Engineering
GPA: 3.91

Projects

PURE: Extracting Merger Deal initiation with LLMs

Jul 2024 - Aug 2024

As part of the Program for Undergraduate Research, we aimed to produce a database to distill privatephase deal metrics using generative AI. Our tasks included web scraping SEC data, filtering, section extraction, prompt engineering, and efforts to maximize accuracy through performance assessment of various configurations.

- Scraped the SEC website
- Developed robust filtering and extraction scripts
- Used Google's Gemini API
- Validated results and measured their performance

E-commerce site

Sep 2024 - Jan 2025

Developed an e-commerce site that sells bags for men (6-person team)

- Used scrum and Jira to manage the project (played the role of scrum master)
- Used GitHub and git to facilitate collaboration
- Client-Server architectural model
- Used NodeJS, ExpressJS and ReactJS

Real-time chat application

Sep 2024 - Jan 2025

Developed a real-time chat mobile app (2-person team)

- Ability to sign up, add friends, make groups, send real time chat messages
- Developed the backend using Java and SpringBoot
- Developed the frontend using React Native
- Implemented JWT tokens for authentication

Core Skills

Python, C++, Java, Javascript, Git, SpringBoot, ExpressJS, React Native, Linux, Docker, Cisco IOS

Work Experience

Math 102 Learning Assistant

Oct 2023 - Jan 2024

Sabanci University | Istanbul

- Responsible for preparing and teaching recitation material that's assigned by the instructors
- Responsible for helping students solve recitation worksheets
- Taught about 50 students across my 2 classes

Math 101 Learning Assistant

Feb 2023 - May 2023

Sabanci University | Istanbul

- Responsible for preparing and teaching recitation material that's assigned by the instructors
- Taught about 50 students across my 2 classes

Languages

Arabic (Native), English (fluent), Turkish (Beginner)

Certificates

CCNA (Cisco Certified Network Associate)	31/04/2022
Certified Ethical Hacker	31/03/2022
CompTia Security+	31/01/2022
CompTia Network+	31/10/2021
